

Corporate Wellness Events

Bring diagnostics and screenings directly to your workplace

Healthy employees are productive employees. TeQuaidas Diagnostics delivers on-site wellness events for Georgia employers — from small offices to large multi-site organizations. We handle scheduling, licensed staff, supplies, and confidential result delivery.

What We Offer On-Site

Biometric Screenings	Blood pressure, BMI, glucose, and cholesterol panels.
Employee Health Screenings	Pre-employment and annual physicals coordination.
Flu & Immunization Clinics	Seasonal flu, Tdap, and standard immunizations.
TB Testing	PPD placement and 48–72 hour read visits.
Non-DOT Drug Screening	Discreet, compliant on-site collections.
Wellness Education	Brief consultations and take-home resources.

Why Employers Choose TeQuaidas

Convenient. Zero travel time for employees — we come to you.

Compliant. HIPAA-aware handling and licensed clinical staff.

Reliable. On-time arrival, clear communication, and complete documentation.

Scalable. Single-day events or recurring quarterly wellness programs.
